**October 10th Is 6th Annual PJs & Eggs:
Hickman's Family Farms and Breakfast Restaurants Partner
to Benefit Arizona Foster Children**

Event: "PJs & Eggs Breakfast for Dinner"

Date: Friday, October 10, 2014

Location: Participating Restaurants

Website: www.pjsandeggsaz.com

PHOENIX, Ariz. — Once again, Hickman's Family Farms will partner with some of the favorite breakfast restaurants around the Valley to celebrate **PJs & Eggs**. The sixth annual event will be held on Friday, October 10, 2014. The "breakfast for dinner" will begin at 5:00 p.m. at participating locations to benefit Arizona's Children Association (AzCA) foster care programs statewide.

Customers who have breakfast for dinner at each participating restaurant on October 10 are invited to wear their pajamas and asked to bring a new pair (any size for kids ages newborn to 18) to be donated to children in the AzCA's foster care programs. In return, each customer will receive a certificate for a free dozen Hickman's eggs. Some participating restaurants also will donate a portion of the proceeds from the evening to AzCA.

Pajama collection began in September at participating locations and will continue through the night of the event. Donations received after October 10 will be forwarded to AzCA. (For a list of participating restaurants and more information about the event partners, visit www.pjsandeggsaz.com.)

"The event is in its sixth year with continued support from many of the locations that have participated since the beginning," says Sharman Hickman of Hickman's Family Farms. "**PJs & Eggs** offers a unique opportunity to share in an event that is fun and extremely useful. It's hands-on help for our local communities' kids in foster care. Participants know that whatever donations they make go directly to local children in need. Our goal this year is to reach 6,000 total pairs of pajamas donated since the start of this event."

AzCA's adoption and foster care programs, offered throughout the state, are vital resources for matching children in need with safe and loving families. There are more than 14,000 children in Arizona's foster care system ranging from in age from newborn to 18 years old.
